Inter/Micro 2010: A Microscopy Symposium

July 12-16 • Conducted at McCrone Research Institute in Chicago

HOTEL

The conference will not be held at a hotel this year. However, for those needing one, our recommended hotel is Club Quarters at 111 West Adams Street in Chicago. Say the secret password—MCC711—and mention you're with McCrone Research Institute for a discounted rate of \$104 a night for the club size room or \$119 a night for the standard size room (plus 15.4% tax). Club Quarters will provide a hospitality suite on Sunday and Tuesday evenings with snacks and beverages. On Sunday, stop by the suite to pick up your registration pack. On Tuesday, mingle with other Inter/Micro attendees.

COST

	Before June 12	After June 12
Speaker, full conference	\$75	\$100
Attendee, full conference	\$150	\$200
Attendee, one day	\$100	\$100
Dinner preceding Evening with Brian	\$18	\$22
Evening with Brian (Mon.)	Free	Free
SMSI Awards Dinner (Wed.)	\$35	\$50
Workshop (Thurs. & Fri.)	\$200	\$300

ABOUT

Inter/Micro is an internationally recognized conference that attracts microscopists from all areas of light and electron microscopy. McCrone Research Institute (McRI) marks its 50th anniversary this year by hosting and conducting the weeklong Inter/Micro conference exclusively at its facilities in Chicago's South Loop.

Topics

- Techniques and Instrumentation
- Environmental and Industrial Microscopy
- Forensic and Chemical Microscopy

Events

- Two-day workshop: Animal Hair Identification taught by Skip Palenik
- Social hour with exhibitors
- Photomicrography competition
- Silent auction conducted by the State Microscopical Society of Illinois (SMSI)
- Evening with Brian J. Ford
- SMSI Awards Dinner: Skip Palenik, Dan Kile

REGISTRATION

To register, visit www.mcri.org and click on the Inter/Micro tab, e-mail intermicro@mcri.org or call 312-842-7100. You may also register at the conference.

TRANSPORTATION

We'll provide a free shuttle between Club Quarters and McCrone Research Institute at the start and end of the conference each day. Monday through Wednesday, we'll shuttle you back to the Club Quarters for a two hour lunch break. (Lunch will be provided to workshop participants Thursday and Friday). The shuttle will only stop at Club Quarters and McCrone Research Institute. If you stay elsewhere, you may still take the shuttle to and from Club Quarters.

...

If you prefer to drive, we offer free parking in our lot. Please note that our parking lot is accessible from the southbound lane of Michigan Avenue.

...

McCrone Research Institute is accessible by bus. The closest bus stops are at 28th Street and Michigan Avenue, along the route of Chicago Transit Authority buses Number 1 and Number 4. Visit www.TransitChicago.com for assistance in planning trips using public transit.

...

You may also call taxi cabs for immediate pickup or book a ride for a future time:
Flash Cab, 773-561-1444
Yellow Cab Chicago, 312-829-4222
